12 July 2011

Dear Mr. H Heinrich

APPLICATION FOR SECONDARY ACCREDITATION

I refer to your application for accreditation received by this office from Ms. Thembi Mofokeng on the 06 July 2011

Your application has been evaluated and the finding is that **MMTI** complies with clause 13(a), (b), (c) and (e) of regulation 1127 of 8 September 1998-Regulations under the South African Qualification Authority Act, 1995

Your Institution is hereby granted **SECONDARY** accreditation to provide training and related assessment services against the following **unit standards** as registered on the National Qualification Framework.

	ID	UNIT STANDARD TITLE	LEVEL	CREDITS
Core	<u>15034</u>	Work in confined spaces on construction sites	2	2
Core	<u>120330</u>	Conduct a continuous risk assessment in a workplace	3	4
Core	<u>120335</u>	Conduct an investigation into workplace incidents	3	5
Core	<u>120362</u>	Monitor, report and make recommendations pertaining to specified requirements in terms of working at heights	3	4
Core	<u>120329</u>	Respond to, implement and manage emergencies according to an emergency action plan in a workplace	3	2
Core	<u>120344</u>	Demonstrate knowledge and understanding of relevant current occupational health and safety legislation	4	4

The above unit standards form part of a bigger list of unit standards outlining the full scope of the qualification of **National Certificate: Construction Health and Safety SAQA ID 77063 Level 3**

In respect to your Accreditation your attention is drawn to the following ETQA provisions:

1. Provisionally accredited training providers are not allowed to run a Learnership in its entirety;
2. However such a provider can act as a secondary provider to a fully accredited provider.
3. The CETA accepts that secondary providers can use all their recognised facilitators and registered assessors.
4. All providers are to ensure that the CETA regional office is notified of any training taking place prior to the commencement date.
5. All providers are to ensure that only learners complying with qualifications' entry requirements be accepted on accredited training; Register all learners within a week from commencement on the Seta Management System;
6. Register and update all learner assessments on the Seta Management System after the learner has been deemed competent on a specific unit standard.
7. Inform the CETA within ten (10) working days of any changes to facilitators and/or assessors employed or to the status quo that would affect the applicant's competence.
8. Allow any authorised personnel of the CETA entry to the training premises to conduct auditing and monitoring activities and to moderate internal moderation relevant to the scope of accreditation.
9. Training providers are only allowed to conduct training and assessment on CETA qualifications and unit standards for which they are accredited on by CETA

ACCREDITATION DETAILS
