

Boilermaker / Welding

<i>Short Course</i>	<i>Duration Days</i>
Electrical Safety	5
Materials, Drawing & Sketches	5
Measuring & Measuring Equipment	5
Marking off	5
Hand tools	5
Workshop Tools	5
Fabricate a Project Applicable to the trade	15
Keys & Locking Devices and Threads & Fasteners	5
Basic Bearing Maintenance	5
Lubrication, Allowance & Tolerance of Fits	5
Basic Arc Welding	5
Basic Gas Welding & Cutting	5
Materials, Drawings & Sketches	5
Principles & Techniques of Marking Off	5
Thermal Applications and Machines	10
Oxy fuel Gas Welding & Brazing	10
Oxy Fuel Gas Cutting	10
Basic Rigging	5
Oxy Fuel Gas Welding & Brazing	15
Oxy Fuel Gas Cutting	5
Shielded Metal Arc Welding	20
Gas Metal Arc Welding	10
Gas Tungsten Welding	10
Drawing and Sketches, Thermal Applications	5
Arc Welding Advanced	10
